

***Black & Decker***

NEW! LOW-COST

**Tire Stud Gun**

# NEW LOW COST *Black & Decker*. TIRE STUD GUN

## \$65 Puts you in the Tire Stud Business!

Cash in on the up-and-coming studded tire market this fall for \$65. Stud a tire in about 5 minutes. Mounted or unmounted. On or off the vehicle. All you need is an air line. That's right. No magazines, tubes or stands. Just a snow tire with stud holes and a #828 Black & Decker Stud Gun. For #10 thru #16 single flange studs such as Kengrip, Traction, ArcticGrip.

|                           |                   |
